It stars Siddharth Malhotra, Shraddha Kapoor and Jacqueline Fernandez in the lead roles. The film released on 9 September 2012 in India to mixed reviews. The film earned 3.50 crores at the box office. Plot Sonu (Siddharth Malhotra) is a serious academic who is studying in a residential college in Delhi, and he has made a few friends such as Om and Sanjana. He starts dating a girl named Shraddha (Shraddha Kapoor), a simple, popular girl who is caught between two guys. One day, Sonu decides to go for a trip to his hometown in a holy town where his grandfather's ashes are scattered. When he arrives in the town, he finds that the gas has been shut off and he has no way of returning home. He stumbles upon a lake and meets an old man (Jayant Katke) who tells Sonu that he needs to return home urgently as his brother (Rishi Kapoor) is seriously ill. He also reveals that he

is going to be with his brother and son for some time and also gives him a blanket and sandals. Sonu meets Om and Sanjana and both are unimpressed with Sonu's condition, as they know what had happened to him. They reveal that they know the truth about what happened to Sonu's family. It is revealed that a demon had cast a spell on Sonu's family to ensure that the entire family can only return home when a person of their blood is sacrificing his/her life and does not return. Sonu travels to his home village, where he stays in his grandfather's room, which is now his home. The villagers believe that Sonu has gone insane due to seeing his family and the reasons behind their deaths. They beat him up and refuse to take him home, which makes him angry and he leaves the village and returns to Delhi. He then realises that he has no choice but to return home and sacrifice his life for his family, which is why he never mentions his family to his friends. In his rage, he burns his photo of Shraddha, and he remembers the old man's warning of how love makes him blind and selfish. He also remembers that when he met Shraddha, she said that she felt that her love was an illusion and that she would hate him if she ever found out the truth. After he leaves the village, he encounters a 82157476af
